

KSHITIJ KUMAR

+91 7324989770 | kshitij.workshop@gmail.com | [LinkedIn](#) | [GitHub](#) | Ara, Bihar

EDUCATION

- **B.Tech (CSE)** | Government Engineering College, Sheikhpura | 2024 – 2028
 - Current CGPA: **7.9**
- **Intermediate (Class XII)** | Har Prasad Das Jain College, Ara | 2023
 - Percentage: **81.8%** (Secured 98/100 in Mathematics)

TECHNICAL SKILLS

- **Languages:** Java (DSA), JavaScript, Python, C, SQL, HTML/CSS.
- **Frameworks/Databases:** React.js, Node.js, Express.js | MongoDB, MySQL.
- **Tools & Core:** Git, GitHub, VS Code, Postman | DSA, OOPs, DBMS, OS.

PROJECTS

Full-Stack Ecommerce Platform | *React, Node, Express, MongoDB* | [Live Link](#) | [GitHub Repo](#)

- Developed a full-stack ecommerce app with dynamic **Cart Management** (add, remove, update) and real-time state updates.
- Engineered a **Search & Scheduling System** for filtering products; integrated **RESTful APIs** for seamless data handling.
- Implemented responsive UI and secure backend integration for robust product management.

AI-Powered Chatbot Interface | *React.js, Custom Hooks* | [Live Link](#) | [GitHub Repo](#)

- Built a modular chatbot interface using **Component-Based Architecture** and `useState` for complex flow management.
- Developed a custom hook `useAutoScroll` for smooth UX and managed async operations for loading states.

EXPERIENCE & LEADERSHIP

Lead Member | FOSS Club (Free & Open Source Software)

- Organized *"Hands-on Experience with Git & GitHub"* event; coordinated with speaker **Vishal Arya** (FOSS United).
- Led the **Tech & Social Media Team**, managing event logistics and student engagement.

ACHIEVEMENTS & CERTIFICATIONS

- **SIH 2025:** Participated in the internal college round of Smart India Hackathon.
- **Certifications:** HTML (IIT Bombay - 85%), C++ & Python (IIT Bombay - 80%).
- **Kaggle:** Completed [5-Day AI Agents Intensive Course with Google](#).
